

Downhere - Raincoat

tom:

Intro: C Em Am G

I'm looking for a friend to hold the door
 It's could outside when I don't know where to find
 A sheltred place secluded from the race
 Of this old life
 And as I walked out in the downpour with no raicoat
 I was soaked down to the bone from head to toe
 Without my raincoat, anywhere I may go
 I still get wet somehow
 I found that friend, He's with me till the end
 He's promised me that He won't forsake His own
 And when a promise never ends

It can only mean one thing... It's from above
 Now I walk out in the downpour with my raincoat
 And after all is said and done He's still the One
 With my raincoat, anywhere I may go... I know I'm all right
 Yeh, yeh,yeh...
 Now I walk out in the downpour with my raincoat
 And after all is said and done He's still the One
 With my raincoat, anywhere I may go... I know I'm all right
 I'm all right, I'm all right, I'm all right... yeh, yeh,
 yeh...
 Now I walk out in the downpour with my raincoat yeh, yeh,
 yeh...
