

Downplay - Edge Of The Universe

Tom: A
Intro: A Gbm D A

A
Everyone's been trying to find me
Well, I've been looking for a place to breathe
D
I'm always searching behind me
A
Always searching for an exit to leave

A
I gotta get, get away from this place
Gbm Bm Gbm D
Hollow, I float into the outer space
D Bm A
Will you wait, will you wait for me?

Gbm E
Sometimes I'd like to fall straight through the centre of earth
D E
To see how it would be
Gbm E
I had a dream I found the edge of the universe
D E
Nobody, nobody could find me

A
Everyone's been trying to change me
Well, I've been closing in on a dream
D
I tried to rearrange me
A
And ended further outside the stream

A
I gotta get, get away from this place
