

# Downplay - Edge Of The Universe

Tom: A  
Intro: A Gbm D A

A  
Everyone's been trying to find me  
Well, I've been looking for a place to breathe  
D  
I'm always searching behind me  
A  
Always searching for an exit to leave

A  
I gotta get, get away from this place  
Gbm Bm Gbm D  
Hollow, I float into the outer space  
D Bm A  
Will you wait, will you wait for me?

Gbm E  
Sometimes I'd like to fall straight through the centre of earth  
D E  
To see how it would be  
Gbm E  
I had a dream I found the edge of the universe  
D E  
Nobody, nobody could find me

A  
Everyone's been trying to change me  
Well, I've been closing in on a dream  
D  
I tried to rearrange me  
A  
And ended further outside the stream

A  
I gotta get, get away from this place  
Gbm Bm Gbm D  
Hollow, I float into the outer space  
D Bm A  
Will you wait, will you wait for me?

Gbm E  
Sometimes I'd like to fall straight through the centre of earth  
D E

To see how it would be  
Gbm E  
I had a dream I found the edge of the universe  
D E  
Nobody, nobody could find me...  
Gbm E  
Sometimes I'd like to fall straight through the centre of earth  
D E  
To see how it would be  
Gbm E  
I had a dream I found the edge of the universe  
D E  
Nobody, nobody could find me

( D Gbm B Gbm E )  
( Gbm B Gbm E )

Gbm D E Gbm  
I'm going to the edge today  
E  
Gonna drift away  
Gbm D E Gbm  
I'm going to the edge today  
E  
Gonna drift away

A  
Will you wait, will you wait for me?  
Will you wait, will you wait for me?  
Gbm E  
Sometimes I'd like to fall straight through the centre of earth  
D E  
To see how it would be  
Gbm E  
I had a dream I found the edge of the universe  
D E  
Nobody, nobody could find me  
Gbm E  
Sometimes I'd like to fall straight through the centre of earth  
D E  
To see how it would be  
Gbm E  
I had a dream I found the edge of the universe  
D E  
Nobody, nobody could find me
