

# Dragon Age - Nightgale's Eyes

Tom: G

**Dm**  
Nightingale's eyes

**Am**  
What secret lies

**C**  
In their worth?

**Dm**  
Raven's tears they cry

**Am**  
But all the while

**C**  
They softly lie and spy on you

**Dm**  
Nightingale's eyes

**Am**  
What will they find

**C**  
Left behind?

**Dm**  
Craven master spy

**Am**  
With heart remiss

**C**  
For those who could not find the truth

**Em**  
We're blinded

**G**  
So we're hiding

**D B**  
Dying to be

**Em**  
We're hiding

**G**  
From the fighting

**D B**  
Longing to see

**Em**  
We're waiting

**G D**  
For someone to speak

**B Em G Em**  
And set us all free

**Dm**  
Nightingale's eyes

**Am**  
Can free the ties

**C**  
On our hands

**Dm**  
Craven master spies

**Am**  
Can they find

**C**  
The key that can unlock the past?

**Em**  
We're hiding

**G**  
From the fighting

**D B**  
Longing to see

**Em**  
We're waiting

**G D**  
For someone to speak

**B Em G Em**  
And set us all free
