

DragonForce - Cry For Eternity

Tom: C

[Verse 1]

Am
Sky now, the sign of the burning sun
F
Into the face of the evil one
Am
Nowhere to hide now we're on the run
C G
Right before your eyes
Am F
We're watching, we're waiting, our souls are forsaken
Am F G
The sign of the warriors, that evil will rise

[Verse 2]

Dm
Through the fire and the flames
Dm
Breaking the chains
Am
Into the night we go
Dm
Torment and pain
Dm
Trample the slain
Am G
Such as the death we know

[Pre-Chorus]

F Am
Our steel will shine forever through the night and blinding
rain
F E
We'll see them face their fears it's time to rise again, in
everlasting pain!

[Chorus]

Am C G Am
Fly free for what we believe
F C Am C
One thousand hearts bleeding, the eternal dream
Am C G Am
Feel me, the touch we all need
F E
So silently now we will kneel
Am
Cry for eternity!

[Verse 1]

Am
So now the fallen will live again
F
We'll feel the pain burn inside of them
Am C G
Remember now what you feel again, deep down inside
Am F
Still cursing, still crawling, we're endlessly falling
Am C F G
The downfall of mankind, the fate of the sun

[Verse 2]

Dm
Hold your head to the sky, bleeding we cry
Am
Screaming until we know
Dm
Fire and pain, beginning again,
Am G
Onwards to hell below

[Pre-Chorus]

F Am
Stand strong we'll live forever raging through the barren
lands
F E
Our eyes have seen the sorrow far across the sands
E
The power in our hands

[Chorus]

Am C G Am
Fly free for what we believe
F C Am C
One thousand hearts bleeding, the eternal dream
Am C G Am
Feel me, the touch we all need
F E
So silently now they will kneel
Am
Cry for eternity!

[Bridge]

C G Am C
Fly far away to the end of our days
G F
The voices of long distant cries
C G Am F
Now we remain in this labyrinth of pain
G E
And so we ride into the night

[Pre-Chorus]

F Am
Our steel will shine forever through the night and blinding
rain
F E
We'll see them face their fears it's time to rise again in
everlasting pain

[Chorus]

Am C G Am
Fly free for what we believe
F C Am C
One thousand hearts bleeding, the eternal dream
Am C G Am
Feel me, the touch we all need
F E
So silently now they will kneel
Am F E
Cry for eternity!
Am
Cry for eternity!
