DragonForce - Cry For Eternity

Tom: C [Verse 2] Hold your head to the sky, bleeding we cry [Verse 1] Sky now, the sign of the burning sun Screaming until we know Dm Into the face of the evil one Fire and pain, beginning again, Am Nowhere to hide now we're on the run Onwards to hell below Right before your eyes [Pre-Chorus] Am Am . Stand strong we'll live forever raging through the barren We're watching, we're waiting, our souls are forsaken lands F G The sign of the warriors, that evil will rise Our eyes have seen the sorrow far across the sands [Verse 2] The power in our hands Dm Through the fire and the flames [Chorus] Am C Breaking the chains Fly free for what we believe Am Am One thousand hearts bleeding, the eternal dream Into the night we go
 Am

 G
 Am

 Feel me, the touch we all need
Dm Torment and pain Dm F Trample the slain So silently now they will kneel Am Am Such as the death we know Cry for eternity! [Bridge] [Pre-Chorus] G Am Am F Our steel will shine forever through the night and blinding Fly far away to the end of our days F rain The voices of long distant cries We'll see them face their fears it's time to rise again, in C G Am Now we remain in this labyrinth of pain everlasting pain! [Chorus] And so we ride into the night G Am C Am Fly free for what we believe [Pre-Chorus] Am C Am C Our steel will shine forever through the night and blinding One thousand hearts bleeding, the eternal dream Am C G Am Feel me, the touch we all need rain We'll see them face their fears it's time to rise again in F F So silently now we will kneel everlasting pain Cry for eternity! [Chorus] G Am [Verse 1] Fly free for what we believe Am Am So now the fallen will live again One thousand hearts bleeding, the eternal dream Am C G Am Feel me, the touch we all need We'll feel the pain burn inside of them Am Remember now what you feel again, deep down inside So silently now they will kneel Am Still cursing, still crawling, we're endlessly falling Cry for eternity! G Am The downfall of mankind, the fate of the sun Cry for eternity!
