D
Coming down from the mountain ranges
For the battle of ancient ages
G
Fight hard for the warrior soul
Wage war, ride on 'til our destiny calls

Through the valley of black wind, burning sun
See the warrior fight, the time has come
G
Fight on for the powerful Lord
March on, stand strong 'til the end of the world
A
When the sun and stars will align again
G
And the land is dark and gone
A
And the ring of fire will be born again
G
For the one

[Refrão]

D G
We just want to dream about it
D G
We die to believe without it

The price at the gates far beyond, whoa-oh-oh
