[Verse]

Dbm
A black cloud now falls on this city
B
But under the lights
Gbm A
Been searching for answers but this time, you
B
You feel so alive
Dbm
Just free your own mind, it's not easy
B
To give all you've got
Gbm A
'Cause no one can stop you from climbing this mountain
B
And making the top

[Prechorus]

Gbm B
Run, strive for the fame
Abm Dbm Choose what may
sound
better to you. (Ab or Abm)
Part of the game, that we play time and again
Gbm Ab
It's up to you to break these chains

[Chorus]

Acordes

Dbm A B
Reasons to live, reasons to die
A B
Live for the power and glory
Dbm B
Never give up, reach for the top
Gbm A B
Find your own path and tonight we'll make it
Dbm A B
Reasons to live, reasons to die
A B
Live for the power and glory
Dbm B
Never give up, reach for the top
Gbm A B
Find your own path and tonight we'll make it
Dbm
All right

[Interlude]x4

Dbm
Now everyone wants to be something
B
A feeling so strong
Gbm
But only one thing really matters
A B
A place to belong

Dbm
Don't spend all your days in the shadows
B
You're not on your own
Gbm
But just keep on fighting
A B
'Cause you'll never know you've got 'til it's gone

Gbm B
Run, strive for the fame
Abm Dbm Choose what may
sound
better to you. (Ab or Abm)
Part of the game, that we play time and again
Gbm Ab
It's up to you to break these chains
