[Verse]

Dbm  
A black cloud now falls on this city  
B  
But under the lights  
Gbm A  
Been searching for answers but this time, you  
B  
You feel so alive  
Dbm  
Just free your own mind, it's not easy  
B  
To give all you've got  
Gbm A  
'Cause no one can stop you from climbing this mountain  
B  
And making the top

[Prechorus]

Gbm B  
Run, strive for the fame  
Abm Dbm Choose what may  
sound  
better to you. (Ab or Abm )  
Part of the game, that we play time and again  
Gbm Ab  
It's up to you to break these chains

[Chorus]

## Acordes

Now everyone wants to be something  
B  
A feeling so strong  
Gbm  
But only one thing really matters  
A B  
A place to belong

Dbm  
Don't spend all your days in the shadows  
B  
You're not on your own  
Gbm  
But just keep on fighting  
A B  
'Cause you'll never know you've got 'til it's gone
