

DragonForce - The Last Dragonborn

tom:

Intro: Dm Bb F Am C Dm

In a time where heroes ruled the earth
 The night will fall to our rebirth
 On the bloodied stones in the fields in Whiterun lies
 As Sun sets now on Tamriel
 The wounds we find in time will heal
 But the dragon soon will return from space and time
 Long will be the journey through the coldest nights we ride
 Where the horsemen slay them all, and they're raped and burned alive
 Listen to our enchanted story written in the wind
 When the evil comes tonight to claim their lives
 Fear the end is coming now
 Hold the line, keep strong our ground
 All fear the nights, dark watchmen
 Steadfast, tonight we'll crush them
 For the wasted journey to the end
 See the soaring eagle fly, see the warriors fight and die
 See the lightning crack the sky, we're the last dragonborn
 To the mountain we must go, flash of steel will crush our foes
 To the fires of hell below, we're the last dragonborn
 (Dm Bb Am C Dm)
 Our journey leads us on and on
 To the lands out west and setting Sun
 Where the pillars of stone bar the path to all who try
 The chants inscribed on the ancient walls
 The screams of the past echo in the halls

Now the wizards arise from their watchtower in the sky
 Onwards through the cold lands over endless nights and days
 Many dangers lie ahead and many foes we have to face
 Through the swamps of sadness and through forests stripped of light
 But the eyes of Shor watch down on us tonight
 Feel our time is coming now
 Hold the line, keep strong our ground
 Now see their castles burning
 Our swords and axes yearning
 To the gods on high we now ascend
 See the soaring eagle fly, see the warriors fight and die
 See the lightning crack the sky, we're the last dragonborn
 To the mountain we must go, flash of steel will crush our foes
 To the fires of hell below, we're the last dragonborn
 (Bb C A Dm)
 Under pale fading stars we sleep tonight
 For our quest takes us far and so long
 But with the rise of the Sun in the far eastern skies
 Never bow down, for our kingdom come
 See the soaring eagle fly
 See the soaring eagle fly, see the warriors fight and die
 See the lightning crack the sky, we're the last dragonborn
 To the mountain we must go, flash of steel will crush our foes
 To the fires of hell below, we're the last dragonborn
 We're the dragonborn
 Hear the dragon shout
 Of the dragonborn
