(verso)  
 On a cold winter morning  
 In the time before the light  
 In flames of death's eternal reign  
 Bb Cm  
 We ride towards the fight

Cm  
 When the darkness is falling down  
 Ab  
 And the times are tough all right  
 Bb  
 The sound of evil laughter  
 Cm  
 Falls around the world tonight

Cm  
 Fighting hard, fighting on for the steel  
 Ab  
 Through the wastelands evermore  
 Bb  
 The scattered souls will feel the hell  
 Cm  
 Bodies wasted on the shores

Ab  
 On the blackest plains in hell's domains  
 Cm  
 We watch them as they go  
 Ab Bb  
 In fire, pain and once again we know

Eb Bb  
 So now we'll fly ever free  
 Cm Ab  
 We're free before the thunderstorm  
 Cm Bb  
 On towards the wilderness  
 Ab Eb  
 Our quest carries on

Cm Ab Cm Eb  
 Far beyond the sundown, far beyond the moonlight  
 Ab Bb  
 Deep inside our hearts and all our souls

Ab Cm  
 So far away we wait for the day  
 Bb Eb  
 For the lives all so wasted and gone  
 Ab Cm  
 We feel the pain of a lifetime lost in a thousand days  
 Bb Cm  
 Through the fire and the flames we carry on

(solo 4x) Cm Ab Bb

(verso)  
 Cm  
 As the red day is dawning  
 Ab  
 and a lightning cracks the sky  
 Bb  
 They will raise their hands to the heavens above  
 Cm  
 Who descend unto their lies

Cm  
 Running back through the midmorning light  
 Ab

There's a burning in my heart

Bb  
 We're banished from the time in the foreign land  
 Cm  
 To a light beyond the stars

Ab Cm  
 In your blackest dreams you do believe, that destiny is tied  
 Ab Bb  
 And endlessly we're roaming free tonight

Eb Bb Cm Ab  
 And on the wings of a dream so far beyond reality  
 Cm Bb  
 All alone in desperation  
 Ab Eb  
 now the time has gone

Cm Ab Cm Eb  
 Lost inside you'll never find, lost within my own mind  
 Ab Bb  
 Day after day this misery must go on

Ab Cm  
 So far away we wait for the day  
 Bb Eb  
 For the lives all so wasted and gone  
 Ab Cm  
 We feel the pain of a lifetime lost in a thousand days  
 Bb Cm  
 Through the fire and the flames we carry on

(solo 4x) Cm Ab Bb

 Now here we stand with their blood on our hands  
 Bb Eb  
 We've fought so hard, now can we understand  
 Cm Ab  
 I'll break the seal of this curse if I possibly can  
 Bb Cm  
 For freedom of every man

Ab Cm  
 So far away we wait for the day  
 Bb Eb  
 For the lives all so wasted and gone  
 Ab Cm  
 We feel the pain of a lifetime lost in a thousand days

 Through the fire and the flames we carry on
