DragonForce - Through The Fire And Flames

tom:

Intro: Bm G A Bm

[Verso 1]

On a cold winter morning, in the time before the light
In flames of death's eternal reign we ride towards the fight
When the darkness has fallen down, and the times are tough all right
The sound of evil laughter falls around the world tonight
Fighting hard, fighting on for the steel, through the wastelands evermore
The scattered souls will feel the hell bodies wasted on the shores
On the blackest plains in hell's domain, we watch them as we go
In fire and pain, and once again we know
So now we fly ever free
We're free before the thunderstorm
On towards the wilderness our quest carries on
Far beyond the sundown, far beyond the moonlight
Deep inside our hearts and all our souls

[Refrão]

So far away we wait for the day
For the light source so wasted and gone
We feel the pain of a lifetime lost in a thousand days
Through the fire and the flames we carry on

[Verso 2]

As the red day is dawning
And the lightning cracks the sky
They'll raise their hands to the heavens above
With resentment in their eyes
Running back from the mid-morning light
There's a burning in my heart
We're banished from a time in a fallen land
To a life beyond the stars
In your darkest dreams see to believe
Our destiny is time
And endlessly we'll all be free tonight
And on the wings of a dream, so far beyond reality
All alone in desperation, now the time has gone
Lost inside you'll never find, lost within my own mind
Day after day this misery must go on

[Refrão]

So far away we wait for the day
For the light source so wasted and gone
We feel the pain of a lifetime lost in a thousand days
Through the fire and the flames we carry on

[Ponte]

Now here we stand with their blood on our hands
We fought so hard now can we understand
I'll break the seal of this curse if I possibly can
For freedom of every man

[Refrão]

So far away we wait for the day
For the light source so wasted and gone
We feel the pain of a lifetime lost in a thousand days
Through the fire and the flames we carry on
