

# DragonForce - Through The Fire And Flames

tom:

Intro: Bm G A Bm A

[Verso 1]

Bm G A Bm A  
On a cold winter morning, in the time before the light  
A Bm  
In flames of death's eternal reign we ride towards the fight  
Bm A G  
When the darkness has fallen down, and the times are tough all right  
A Bm  
The sound of evil laughter falls around the world tonight  
Bm A G  
Fighting hard, fighting on for the steel, through the wastelands evermore  
A Bm  
The scattered souls will feel the hell bodies wasted on the shores  
Em Bm  
On the blackest plains in hell's domain, we watch them as we go  
Em A  
In fire and pain, and once again we know  
D A  
So now we fly ever free  
G  
We're free before the thunderstorm  
Bm A G  
On towards the wilderness our quest carries on  
Bm Em Bm D  
Far beyond the sundown, far beyond the moonlight  
Em A  
Deep inside our hearts and all our souls

[Refrão]

G Bm  
So far away we wait for the day  
A Gb  
For the light source so wasted and gone  
G Bm  
We feel the pain of a lifetime lost in a thousand days  
A Gb  
Through the fire and the flames we carry on

[Verso 2]

Bm  
As the red day is dawning  
G  
And the lightning cracks the sky  
A

They'll raise their hands to the heavens above  
Bm  
With resentment in their eyes  
Bm  
Running back from the mid-morning light  
A  
There's a burning in my heart  
A  
We're banished from a time in a fallen land  
Bm  
To a life beyond the stars  
Em  
In your darkest dreams see to believe  
Bm  
Our destiny is time  
Em A  
And endlessly we'll all be free tonight  
D A G  
And on the wings of a dream, so far beyond reality  
Bm A G  
All alone in desperation, now the time has gone  
Bm E Bm D  
Lost inside you'll never find, lost within my own mind  
Em A  
Day after day this misery must go on

[Refrão]

G Bm  
So far away we wait for the day  
A Gb  
For the light source so wasted and gone  
G Bm  
We feel the pain of a lifetime lost in a thousand days  
A Gb  
Through the fire and the flames we carry on

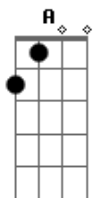

[Ponte]

Bm G  
Now here we stand with their blood on our hands  
A Bm  
We fought so hard now can we understand  
Bm G  
I'll break the seal of this curse if I possibly can  
A Bm  
For freedom of every man

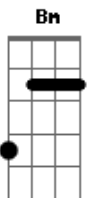

[Refrão]

G Bm  
So far away we wait for the day  
A Gb  
For the light source so wasted and gone  
G Bm  
We feel the pain of a lifetime lost in a thousand days  
A Gb  
Through the fire and the flames we carry on
