

Drake Bell - Makes Me Happy

Tom: G

Well hello let's go
 Everybody must know
 There's love in my heart like a bomb
 It's blowing a song inside I'm singing
 Sunshine that you're bringing now and it makes me happy
 listen to the radio playing back the stereo
 Sounds like my favorite song
 I'm humming along, my head is ringing
 And I just can't stop singing now cause it makes me happy

You're everything I need, handed from above
 I can't get enough of your love
 Cause it makes me happy
 Cause it makes me happy
 Living in a daydream
 I'll show you what it all means
 Spending some time in the sun

Let's get up and run its just beginning
 And I just can't stop singing now
 Cause it makes me happy
 Cause it makes me happy

Like a fantasy that you never find
 Right in front of me all the time
 And it makes me happy
 And it makes me happy

I want it all but not too much I wanna feel tha way you touch me
 I'm the kind of guy who's always there
 To come and find you

Save the rainy days for another time
 I'm just here to say read between the lines
 I'm so glad that you're mine
 Cause you make me happy
 You make me wanna sing
