

# Drake Bell - Makes Me Happy

Tom: G

Well hello let's go  
 Everybody must know  
 There's love in my heart like a bomb  
 It's blowing a song inside I'm singing  
 Sunshine that you're bringing now and it makes me happy  
 listen to the radio playing back the stereo  
 Sounds like my favorite song  
 I'm humming along, my head is ringing  
 And I just can't stop singing now cause it makes me happy

You're everything I need, handed from above  
 I can't get enough of your love  
 Cause it makes me happy  
 Cause it makes me happy  
 Living in a daydream  
 I'll show you what it all means  
 Spending some time in the sun

Let's get up and run its just beginning  
 And I just can't stop singing now  
 Cause it makes me happy  
 Cause it makes me happy

Like a fantasy that you never find  
 Right in front of me all the time  
 And it makes me happy  
 And it makes me happy

I want it all but not too much I wanna feel tha way you touch me  
 I'm the kind of guy who's always there  
 To come and find you

Save the rainy days for another time  
 I'm just here to say read between the lines  
 I'm so glad that you're mine  
 Cause you make me happy  
 You make me wanna sing
