LYRICS:

Well hellolet's go

everybody must know
 there's love in my heartlike a bomb
 It's blowing a song inside I'm singing
 sunshine that your bringing now and it makes me happy
 Listen to the radio playin back in stero
 Sounds like my favorite song
 I'm humming along my head is ringing
 And I just can't sstop singing now cause it makes me happy
 You're everything I need, handed from above
 I can't get enough of your love
 Cause it makes me happy
 Living in a day-dream
 I'll show you what it all means
 Spending some more time in the sun
 Let's get up and run it's just beginning
 And I just can't stop singing now
 Cause it makes me happy
 Like a fantasy that you never find
 Right in front of me all the time
 And it makes me happy
 I want it all but not too much I wanna feel the way you touch
 me
 I'm the kind of guy who's always there to come and find you
 Save the raining days for another time
 I'm just here to say read between the lines
 I'm so glad that your mine
 Cause you make me happy
 you make me wanna sing
