

Drake Bell - Somehow

tom:

She stares at the moon, her ribbons out of tune
 The memories of the past, at the bottom of her glass
 And resting on her cheek, the imprint of his ring
 A symbol of the weak, commissioned by the king

[Pré-Refrão]

Did he tie you down?
 Did you make a sound?

[Refrão]

She falls to her knees, screaming God please
 Make something of me. Cause I've never wanted anything
 Like what I wanna be right now
 An angel again, an angel again somehow

Yeahhhhhhhhhh!

[Segunda Parte]

She remembers his old boots, and the shot gun that he shoots
 And all that she could take lies at the bottom of a lake
 So lift your cig and drag as you figure out a plan
 To hide it all away, how could she ever love this man?

[Pré-Refrão]

Did you weigh him down?
 Did he make a sound?

[Refrão]

She falls to her knees, screaming God please
 Make something of me. Cause I've never wanted anything
 Like what I wanna be right now
 An angel again, an angel again

[Ponte]

Somehow
 And when you carry weight in your life
 And all the plans you make in your life
 The original decision was right

[Refrão]

She falls to her knees, screaming God please
 Make something of me. Cause I've never wanted anything
 Like what I wanna be right now
 An angel again, an angel again
 An angel again, an angel again

[Final]

Somehow, somehow yeah
 Yeah somehow, yeah oh yeah
 Did he tie you down?
 Did you make a sound?
 Did he weigh you down?
 Did he make a sound?
 Yeah, yeah, yeah, somehow
 Yeah, yeah, yeah, somehow
 Yeah, yeah, yeah, somehow
