

Drake Bell - Up Periscope

tom:

[Primeira Parte]

If I could have a single wish
 I'd only wish I'd never miss it
 When you wake up and smile
 It makes me happy when you steal a little kiss
 Before you wake me up to listen to the news for a while
 And when you're creeping outta bed
 I sneak a peak to see just what you were wearing last night
 What was left of from ripping off your clothes
 I checked to see the door was closed
 As you were turning off the light

[Pré-Refrão]

Who ever said romance was over
 Roll over
 So I can show you
 Don't you want me to be
 The captain of your submarine, up periscope

[Refrão]

That's what I say
 And that's just my way
 Of saying that I love you
 (I do)

[Segunda Parte]

Life is like a bowl of cherries
 Not so very ordinary, overflowing with love
 And I could never want for more
 Unless our two becomes a four
 Or maybe three if we practice it enough

[Pré-Refrão]

Who ever said romance was over
 Roll over
 So I can show you

Don't you want me to be
 The captain of your submarine, up periscope

[Refrão]

That's what I say
 And that's just my way
 Of saying that I love you
 (I love you)

[Terceira Parte]

Well, I know that life is hard
 I know that love can break your heart
 That's just the way that it is
 Well, baby, that's a load of smack
 And don't you know I've got your back
 And what's important is the way that we live
 And like the way you love this song
 Because it makes you hum along
 And tap your foot to the beat
 That's the way you make me feel
 When we're doing it for real
 I can feel it from my head to my feet

[Pré-Refrão]

Who ever said romance was over
 Roll over
 So I can give you
 One more chance to believe
 And hopefully see
 That I still want you
 Don't you want me to be the captain of your submarine

[Refrão]

Up periscope
 That's what I say
 That's just my way
 Of saying that I love you
 I love you
