

Drake Milligan - Over Drinkin Under Thinkin

tom:
F
Capo on 1st

Chorus

Over-drinkin', under-thinkin'
Bartender, pour another round
Gonna be here all night long
On this tie-one-on, neon
Honky-tonkin' side of town

Floatin' down a whiskey river
Drownin' the troubles in our minds
Empty glasses floor-to-ceilin'
Over-drinkin', under-thinkin's
All we're thinkin' bout tonight

Verse

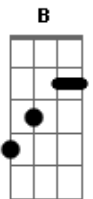

F
Bad decisions, good decisions
What's the difference really in 'em?
Gm
Who's to say?
Bb
Yeah, right or wrong, what's goin' on?
And here is where we all get along
C
When we get this way

Chorus

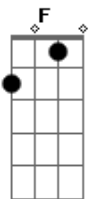

Over-drinkin', under-thinkin'
Bartender, pour another round
Gonna be here all night long
On this tie-one-on, neon
Honky-tonkin' side of town

Floatin' down a whiskey river

Hey eleven, B
It don't matter what they're spinnin' on that old jukebox
Yeah, fast or slow, don't you know
We'll keep rollin' with the flow
And no, we won't stop
