

Drake - Hotline Bling

Tom: F

You used to call me on my cell phone
 Late night when you need my love
 Call me on my cell phone
 Late night when you need my love
 I know when that hotline bling
 That can only mean one thing
 I know when that hotline bling
 That can only mean one thing

Ever since I left the city, you, you, you
 You and me we just don't get along
 You make me feel like I did you wrong
 Going places where you don't belong
 Ever since I left the city, you
 You got exactly what you asked for
 Running out of pages in your passport
 Hanging with some girls I've never seen before

You used to call me on my cell phone
 Late night when you need my love
 Call me on my cell phone
 Late night when you need my love

I know when that hotline bling
 That can only mean one thing
 I know when that hotline bling
 That can only mean one thing

These days, all I do is
 Wonder if you bendin' over backwards for someone else
 Wonder if your rollin' up a backwoods for someone else
 Doing things I taught you gettin' nasty for someone else
 You don't need no one else
 You don't need nobody else,

No, why you never alone
 Why you always touching road
 Used to always stay at home, be a good girl
 You was in the zone
 You should just be yourself
 Right now, you're someone else

You used to call me on my cell phone
 Late night when you need my love
 Call me on my cell phone
 Late night when you need my love
 I know when that hotline bling
 That can only mean one thing
 I know when that hotline bling
 That can only mean one thing
