Tom: E

m **Em** **C**  
 It's not me and you, it's not me it's you  
**Am** **B7**  
 You're reckless and you know it, they don't love you like I do  
**Em** **C** **Am**  
 Say you're moving on, well, I guess that's just the motion  
**B7**  
 I guess that's just the motion  
 ( **Em C Am B7** )

**Em** **C**  
 I don't have a fuck to give, I've been moving state to state  
**Am** **B7**  
 In my leather and my Timbs like it's 1998  
**Em** **C**  
 And my dog Chubby Chub, that's my nigga from the way  
**Am** **B7**  
 On the east side of the city that's where everybody stay  
**Em** **C**  
 Seem like everybody calling cause they want me on their song  
**Am** **B7**  
 It's like every time I touch it I could never do no wrong  
**Em** **C**  
**Am**  
 When they need a favor from your man, they don't leave you  
 alone  
**B7** **Em C**  
 But I guess that's just the motion

**Am**  
 Then that phone doesn't ring  
**B7** **Em C**  
 When they got everything, that's the motion  
**Am B7** **Em C Am B7**  
 Oh-oh, I guess that's just the motion  
 Yeah, looking back on it at least my pride is intact  
**Am** **B7**  
 Cause we said no strings attached and I still got tied up in  
 that  
**Em** **C**  
 Everything that I write is either for her or about her  
**Am** **B7**  
 So I'm with her even when I'm here without her and she know it  
**Em** **C**  
 The girl that I wanna save is like a danger to my health  
**Am** **B7**  
 Try being with somebody that wanna be somebody else  
**Em** **C**  
 I always thought she was perfect when she was being herself  
**Am** **B7**  
**Em C**  
 Don't even know how to help, but I guess that's just the  
 motion  
**Am**  
 She'll probably come around  
**B7** **Em C**  
 Soon as I settle down, that's the motion  
**Am B7**  
 Oh-oh, I guess that's just the motion
