I guess this is the easiest way to play this song because I have played it before and also I'm not the best guitarist in the world. So enjoy this tab!

			Learn...	From the past	But
			those		
			Days are gone	We can hope	For the
			future	But there may not be one...	
			CLEAN		
			The words stuck in my mind	Alive from what I've	
			learned		
			I have to seize the day	To home I returned...	
			(Bass Solo)		
			(Bass Solo)		
			DISTORTION		
			The news of the fall	The sounds in	
the			Preparing for her flight	I held with all my might	
hall			Fearing my deepest fright	She walked into the night	
			The clock on the wall	Tickin' Away	
			"Seize the day"	I heard him say	
			She turned for one last look	She looked me in the eye	
			Life will not always	Be this way	
			I said, "I Love You"...	...Good-bye"	
			Look around	Hear the sound	
			It's the most awful thing you'll ever hear	If you're	
			lying to me...		
			Cherish your life while	You're still a...	
			Oh, you dearly love her	...just have to leave...	
			all our lives		
			...round		
			Seize the day!	Something	
			happened		
			Gather ye rosebuds while ye may,	Old Time	
is still a-flying			Gather ye rosebuds while ye may	She	
			was killed		
			And this same flower that smells today, Tomorrow will be		
dying.			We can		
			This is all the song, I'm not sure about the CLEAN part of the		
			song, but it		
			sounds pretty good. Enjoy!
