-----  
The roses in the window box  
Have tilted to one side  
Everything about this house  
Is gonna grow and die

Oh it doesn't seem a year ago to this very day  
You said I'm sorry honey  
If I don't change the pace  
I can't face another day

And love lies bleeding in my hand  
Oh it kills me to think of you with another man  
I was playing rock and roll and you were just a fan  
But my guitar couldn't hold you so I split the band  
Love lies bleeding in my hands

I wonder if those changes  
Have left a scar on you  
Like all the burning hoops of fire  
That you and I passed through

You're a bluebird on a telegraph line  
I hope you're happy now  
While if the wind of change comes down your way girl  
You'll make it back somehow

And love lies bleeding in my hand  
Oh it kills me to think of you with another man  
I was playing rock and roll and you were just a fan  
But my guitar couldn't hold you so I split the band  
Love lies bleeding in my hands

And love lies bleeding in my hand  
Oh it kills me to think of you with another man  
I was playing rock and roll and you were just a fan  
But my guitar couldn't hold you so I split the band  
Love lies bleeding in my hands

Oooooh ooh  
Oooooh  
Oh oh oh oh ooh  
Love lies bleeding in my hands  
Ooh  
Ooh ooh
