

# Dream Theater - Ravenskill

Tom: D

Bm  
Morning breaks

Em  
Beyond the night

Am  
And she's a worlds away

Bm  
Through crowded streets

Em  
This quiet hooded stranger makes her way

Gbm  
"Please excuse me?"

A  
Sir, can you help me?

Gbm  
Where can I find this man?"

Dbm  
"Sorry, can't speak, someone is waiting"

Dbm  
"Yes, I understand."

Em  
As her will starts to fade

Em  
And all but disappears

Em  
Like a ghost, suddenly a boy is standing there

And all is clear

Em  
"I'm your friend, trust me, don't be scared.

Bm  
I am looking for your father, and I promise I can help.

Em  
Now take my hand, we haven't time to spare."

Dbm  
Hopeful and innocent

Gbm  
Sensing no danger

Dbm  
He sees humanity

A  
Behind the stranger's eyes

Dbm  
Her true identity will be revealed

Em  
When she sheds her disguise

Dbm  
"My intentions are faithful

Gbm  
There's a chance we can still end this game

A  
I'll be forever grateful

B  
To see him once again"

Em  
"You dare to stand  
Before my eyes!  
You're one of them

A  
Why would I trust you?"

Em  
"It's not like that!  
I can't go back

A  
Hope fades away with each passing second!"

D  
"Lost in this moment

Dbm  
Is where I want to stay

D  
This can't be broken

Em  
We need to find a way

D  
Gabriel, I would wait a lifetime

A  
Just to see your face

Gbm  
But all we have is one more day"

D  
I remember your father was moved by my song

Em  
I know when he sees we're united, then he'll understand

A  
We will walk this road together

Gbm  
We will face this hand in hand

D  
With music and love on our side

Em  
We can't lose this fight

A  
Tomorrow our dream comes alive

C  
Comes alive

## Acordes
