

# Dream Theater - Ravenskill

Tom: D

**Bm**  
Morning breaks

**Em**  
Beyond the night

**Am** **Em**  
And she's a worlds away

**Bm**  
Through crowded streets

**Em**  
This quiet hooded stranger makes her way

**Gbm**  
"Please excuse me?"

**A**  
Sir, can you help me?

**Gbm** **Am**  
Where can I find this man?"

**Dbm**  
"Sorry, can't speak, someone is waiting"

**Dbm** **Em**  
"Yes, I understand."

**Em** **Bm**  
As her will starts to fade

**Em** **C**  
And all but disappears

**Em** **Bm**  
Like a ghost, suddenly a boy is standing there

**C**  
And all is clear

**Am** **C**  
"I'm your friend, trust me, don't be scared.

**Bm** **Em**  
I am looking for your father, and I promise I can help.

**Bm**  
Now take my hand, we haven't time to spare."

**Em**  
Hopeful and innocent

**Gb** **B**  
Sensing no danger

**Dbm**  
He sees humanity

**A** **B**  
Behind the stranger's eyes

**Dbm** **Gb**  
Her true identity will be revealed

**E** **A** **B**  
When she sheds her disguise

**Dbm** **A** **Abm**  
"My intentions are faithful

**Gb** **Dbm**  
There's a chance we can still end this game

**A**  
I'll be forever grateful

**B**  
To see him once again"

**Em**  
"You dare to stand  
Before my eyes!  
You're one of them

**A** **B**  
Why would I trust you?"

**Em**  
"It's not like that!  
I can't go back

**A** **B**  
Hope fades away with each passing second!"

**D** **Bm**  
"Lost in this moment

**Dbm** **E**  
Is where I want to stay

**D** **Bm**  
This can't be broken

**Em** **Dbm** **Gbm**  
We need to find a way

**D** **E**  
Gabriel, I would wait a lifetime

**A** **D**  
Just to see your face

**Gb** **E** **A**  
But all we have is one more day"

**D** **D**  
I remember your father was moved by my song

**Em** **E**  
I know when he sees we're united, then he'll understand

**Gbm** **G**  
We will walk this road together

**Gbm** **G**  
We will face this hand in hand

**D** **Bm**  
With music and love on our side

**E**  
We can't lose this fight

**A** **D**  
Tomorrow our dream comes alive

**C** **Eb** **D**  
Comes alive
