

Dream Theater - Regression

Tom: **D**

D
 Safe in the light that surrounds me
G **D** **D**
 Free of the fear and the pain
Bm **Bm**
 My subconscious mind starts spinning through time
E **A** **A**
 To rejoin the past once again
D **D**

Nothing seems real, I'm starting to feel
G **D** **D**
 Lost in a haze of a dream
Bm **Bm**
 And as I draw near the scene becomes clear
E **A** **A**
 Like watching my life on a screen
G
 Hello Victoria
A **A** **D**
 So glad to see you my friend
