

Dream Theater - Solitary Shell

Tom: B	Lost within himself, In his solitary shell
Tuning: Standard	
Intro: Allow open strings to ring throughout	A momentary maniac with casual delusions, When will he be let out of his...
Verse	Post Chorus Let chord ring
Just	He seemed no different from the rest
Pre Chorus:	Followed by typical Dream Theater instrumental section.
As a boy he was considered somewhat odd	He seemed no different from the rest Just a healthy normal boy His mama always did her best And he was daddy's pride and joy
He would daydream in and out of his own world but in every other way...	He learned to walk and talk on time But never cared much to be held and steadily he would decline Into his solitary shell
Chorus	As a boy he was considered somewhat odd Kept to himself most of the time He would daydream in and out of his own world but in every other way he was fine
He's a Monday morning lunatic, Disturbed from time to time	He's a Monday morning lunatic Disturbed from time to time Lost within himself In his solitary shell A temporary catatonic Madman on occasion When will he break out Of his solitary shell
Lost within himself, In his solitary shell	He struggled to get through his day He was helplessly behind He poured himself onto the page Writing for hours at a time
A temporary catatonic Madman on occasion, When will he break out of his...	As a man he was a danger to himself Fearful and sad most of the time He was drifting in and out of sanity But in every other way he was fine
Post chorus	He's a Monday morning lunatic Disturbed from time to time Lost within himself In his solitary shell A momentary maniac With casual delusions When will he be let out Of his solitary shell
Let chord ring
