Dream Theater - The Big Medley

Tom: D

1 - In the Flesh?

(I'm not very sure about this part, but it's cool..)

Main Riff:

Singin'

silent till (Chords: A, D, E)
Then Main Riff
2:24

Then this:

During keyb. solo
pm pm pm pm pm pm pm twice

guit.solo:

```
|-15/17--15--14-------------------------------------------|--
---------------
|---------------17--15-12h15p12---------------------------|--
---------------
|-------------------------------14------12-14--14p12----12-|--
--12h14p12-----
|---------------------------------14----------------14----
|-14----------14--
|-----------------------------------------------------------|--
---------------
|-----------------------------------------------------------|--
---------------
                                a.h------
|-------------------------------------------|-------------
---------------
|-------------------------------------------|-------------
---------------
|-12-14-----12h14p12-------------------------12-|-------------
---------------
|-------14-----------14-13-12-----------------12-|-------------
---------------
|-------------------------------14-13-12----------|-------------
---------------
|-----------------------------------------15-----|-------------
---------------
```

3:38
Bridge:
twice

second guitar solo:

tr...

2nd time is-15 -
Another guitar solo: (4:21)
tr...

wide vib

2 - Bohemian Rapsody (4:34)
start

```
|-----------------------------------------------------------
---------------
|-----------------------------------------------------------
---------------
|-----------------------------------------------------------
---------------
|-----------------------------------------------------------
---------------
|-8-8-8---------------------------------------------------
---------------
|-6-6-6---------------------------------------------------
---------------
```

Riff:(4:44)

```
|-----------------------------|-------------------------|---
---------------
|-----------------------------|-------------------------|---
---------------
|-----------------------------|-------------------------|---
---------------
|-----------------------------|--------------3----------|---
---------------
|--6-------3-5-6-6--------3---|-6-------3-5-6-------3-5-3-|---
---------------
|----3-4-6----------3-4-6---6-|---3-4-6---------5-6-------|---
---------------
```

Now James sings...

vib pm.... Oooh baby...

i'm not sure

Now Riff Again:

Solo:(5:33)

3-?(6:02)
