

# Dream Theater - The Bigger Picture

Tom: G

G D  
 Long before the colors start to bleed  
 C D  
 I can see the painting come alive  
 Bm C  
 Clever like an angel in disguise  
 F  
 Moving in and out of reach

Bb F E B C Am

G D  
 If the candle lights this crooked path  
 G D  
 Like a lighthouse peering through the haze  
 Bm C  
 I will find the river through the rain  
 F  
 And I'll reach the water's edge

Bb F E B C Am

Em G Bm D  
 Shed your light on me  
 Em G D C  
 Be my eyes when I can't see  
 Em G Bm D  
 Shed your light on me  
 Em G D C  
 Be my guide so I can see  
 Em  
 The bigger picture

Em  
 Like a moth burned by the fire  
 C  
 And driven to the flame

(Prophecies' a blessing and a curse)

Em  
 I must bare this cross alone  
 C  
 There's no one else to blame  
 Bb  
 With each treasure found

F  
 Another shipwreck's washed ashore  
 C  
 I am carried by the current

D  
 On a slow and steady course

Dbm E  
 What if caught in a moment

B Gbm  
 I get lost and can't find my way

Dbm B  
 What if all along I was wrong

Gbm E  
 In every turn, in every way

D Gbm  
 Would you talk me off the ledge

E Dbm  
 Or let me take the fall

Gbm E  
 Better to try and fail

B  
 Then to never try at all

G  
 You look but cannot see

D  
 Talk but never speak

G  
 You live, but cannot breathe

C  
 See but don't believe

G  
 Wounds that never heal

D  
 A heart that cannot feel

G  
 A dream that's all too real

C  
 A stare as cold as steel

G  
 I've listened to the stories of resentment and disdain

Bm  
 I've looked into the empty eyes of anger, fear, and shame

Em  
 I've taken blood from every stone

D C  
 And traveled every road

F Bb  
 When I see the distant lights illuminate the night

F Eb Am G  
 Then I will know I am home
