Dream Theater - The Road To Revolution

Tom: Bb

```
       Gm                             Gm
He only sees what he desires to see
Gm                            Cm
It took a while but finally he agreed
D7                              Eb
Though everything did not turn out as planned
Cm            Am
If life's a risk
     D        Gm    F
It's worth a chance
Bb
I know where there is faith
                  F
There's always hope
Bb                                 F
They'll meet beneath the stars at Heaven's Cove
Ebm               F
The ghosts of yesterday
Bb                  Gm
Once filled the lavish stage
Ebm      D      C       Ebm        Gm Gb
Taking our first step down a new road

G                       G
Arhys' time is running out
G                      G
What will your decision be?
G                  G7
If you still have any doubt
```

Think about Evangeline
```
             C
On the road to revolution
Our salvation's never free
                            F
There's a price for liberation
Em                       C
When you stand for your beliefs

D                        Em
When the man in the mirror
G                        D D
Takes a long, hard look at me
     F                    Em
Will the person staring back
          D        Ab  Gm
Be the man I want to be

Am              F Em
Change my mind
Am              F Em
A waste of time
Am                       C
For soon he will be mine
Am        G
Open eyes
          D        Db
Help me see which choice
       C
Is right
