

# Dream Theater - Wither

Tom: Db

Bbm Gb Bbm  
Let it out, let it out

Gb Bbm  
Fill the empty space

Gb  
So insecure

Db  
Find the words

Ab  
And let it out

Bbm Gb Bbm  
Staring down, staring down

Gb Bbm  
Nothing comes to mind

Gb  
Find the place

Db Ab  
Turn the water into wine

Gb Bbm  
But I feel I'm getting nowhere

Gb Fm Ab Ab  
And I'll never see the end

Db Ab  
So I wither

Bbm Gb  
And render myself helpless

Db Ab  
I give in

Bbm Gb  
And everything is clear

Db Ab  
I break down

Bbm Gb  
And let the story guide me

Bbm Gb Bbm  
Turn it on, turn it on

Gb Bbm  
Let the feelings flow

Gb  
Close your eyes

Db  
See the ones

Ab  
you used to know

Bbm Gb Bbm  
Open up, open up

Gb Bbm  
Don't struggle to relate

Gb  
Lure it out

Db Ab  
Help the memory escape

Gb Bbm  
Still this barrenness consumes me

Gb Fm Ab  
And I feel like giving up

Db Ab  
So I wither

Bbm Gb  
And render myself helpless

Db Ab  
I give in

Bbm Gb  
And everything is clear

Db Ab  
I break down

Bbm Gb  
And let the story guide me

Db Ab  
I wither

Bbm Gb  
And give myself away

Ebm Gb  
Like reflections on the page

Ab Bbm Gb  
The world's what you create

Bbm Gb Bbm Gb  
The world's what you create

Bbm Gb Bbm  
Let it out, let it out

Db Ab  
I break down

Bbm Gb  
And let the story guide me

I wither

Bbm Gb  
And give myself away

(Gb7M Ab Bbm )  
(Gb7M Ab Bbm )

Gb7M Ab  
I drown in hesitation

Bbm  
My words come crashing down

Gb7M Ab  
And all my best creations

Bbm  
Burn into the ground

Gb7M Ab  
The thought of starting over

Db Ab Bbm  
Leaves me paralyzed

Gb  
Tear it out again

Fm Ab Ab  
Another one that got away

Db Ab  
I wither

Bbm Gb  
And render myself helpless

Db Ab  
I give in

Bbm Gb  
And everything is clear
