

# The Dresden Dolls - Boston

tom:

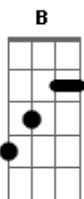

<sup>C</sup>  
All the cities in the world and so very little time, and  
<sup>C</sup>  
So many different girls, all you have to do is find them  
<sup>C</sup>  
There's a wealth of opportunity, you make your plans accordingly  
<sup>B</sup>  
A pity that the pretty ones are usually more touristy  
<sup>C</sup>  
Say, how'd you like to run away from these machines?  
<sup>C</sup>  
Everywhere the spies are printing out our dreams  
<sup>C</sup>  
Seven stops in seven different countries, seven page itineraries  
<sup>B</sup>  
Memories thick as bloody marys, Jesus Joseph bloody hell  
<sup>G</sup>  
Right now we're here in Boston  
<sup>G</sup>  
In love with downtown crossing  
<sup>G</sup>  
New York will still be there in the morning  
<sup>Em</sup>  
Come back to bed my darling  
<sup>C</sup>  
I had Julian and Steve, you had Juliette and Janet  
<sup>B</sup>  
You wear your terror on your sleeve for all the men I haven't met... yet  
<sup>C</sup>  
I had Oliver in Potstam you had Elanor in Amsterdam  
<sup>B</sup>  
We're keeping score so carefully we've lost the state we're in completely  
<sup>C</sup>  
Honestly your foot is out the door and I've got scores of offers  
<sup>B</sup>  
Elsewhere and keep both feet planted firmly in the air  
<sup>C</sup>  
And tomorrow you can totally erase me from your mind  
<sup>B</sup>  
No really, everything is fine

<sup>G</sup>  
Because right now we're here in Boston  
<sup>G</sup>  
In my apartment in the south end  
<sup>G</sup>  
Forget your friends in London  
<sup>Em</sup>  
Come back to bed my darling  
<sup>Em</sup>  
You can put the details in a letter  
<sup>Em</sup>  
The more embarrassing the better  
<sup>Em</sup>  
Right now I can be happy if I choose to  
<sup>Em</sup>  
I know that in the morning I will lose you  
<sup>C</sup>  
And maybe you'll be mad, and maybe I'll be gray  
<sup>C</sup>  
Before we really understand or maybe it won't matter anyway  
<sup>B</sup>  
We'll find out that your mom was right and you'll admit you're really gay  
<sup>C</sup>  
And maybe we'll wake up in a city far away  
<sup>C</sup>  
Or maybe we'll make up, and buy a house  
<sup>B</sup>  
And have a dozen kids who'll run away it doesn't matter anyway  
<sup>G</sup>  
Right now we're here in Boston  
<sup>G</sup>  
In Eden where you almost let your pants down  
<sup>G</sup>  
Don't worry who these jokes will all be lost on  
<sup>Em</sup>  
Come back to bed my darling  
<sup>Em</sup>  
There is nothing in the world that we can count on  
<sup>Em</sup>  
Even that we will wake up is an assumption  
<sup>Em</sup>  
But I know for a fact that I loved someone  
<sup>Em</sup>  
And for about a year he lived in Boston  
<sup>Em</sup>  
In Boston
