

# Dropkick Murphys - Bastards On Parade

Tom: B  
Intro: B E Gb Abm

<sup>B</sup>  
I've lost all the time that I have in this world  
<sup>B</sup> I spent it unwisely. Unwisely you see  
<sup>B</sup> And I can't get it back  
<sup>E</sup> And I can't move forward  
<sup>B</sup> I'm broken and I'm empty  
<sup>Gb</sup> <sup>B</sup>  
It's over for me

<sup>E</sup> <sup>B</sup>  
If I could undo all the wrongs that I've caused  
<sup>E</sup> <sup>Gb</sup>  
Fall to my knees pray for swiftness and just  
<sup>B</sup>  
For I'm just a fool  
<sup>E</sup>  
A fool driven to dust  
<sup>B</sup> <sup>Gb</sup> <sup>B</sup>  
And the world ain't gonna change for me

<sup>E</sup> <sup>B</sup>  
So give me one more chance to prove these problems and  
frustrations  
<sup>E</sup> <sup>Gb</sup>  
aren't just manifest in memories we're destined to repeat  
<sup>B</sup> <sup>E</sup>  
A second chance to prove I know right from wrong  
<sup>B</sup> <sup>Gb</sup> <sup>B</sup>  
I swear I'll do things different but can't promise to be  
strong

<sup>E</sup> <sup>B</sup>  
So come on all you losers, you bastards and cheats  
<sup>Abm</sup> <sup>Gb</sup>  
Vagrants and barflies down on the streets  
<sup>B</sup> <sup>E</sup>  
Follow this path to salvation vindication awaits

<sup>B</sup> <sup>Gb</sup> <sup>B</sup>  
We're marching on East Broadway streets tonight  
<sup>B</sup> <sup>E</sup>  
If you can look into this old face and try to see the young  
man  
<sup>B</sup> <sup>Gb</sup>  
I swear I once was pretty, not the monster you now see  
<sup>B</sup>  
But I squandered all my chances  
<sup>E</sup>  
Lost my faith and took for granted  
<sup>B</sup> <sup>Gb</sup> <sup>B</sup>  
This life and precious one chance the whirlwind I'll reap

<sup>E</sup> <sup>B</sup>  
If I could undo all the wrongs that I've caused  
<sup>E</sup> <sup>Gb</sup>  
Fall to my knees pray for swiftness and just  
<sup>B</sup>  
For I'm just a fool  
<sup>E</sup>  
A fool driven to dust  
<sup>B</sup> <sup>Gb</sup> <sup>B</sup>  
And the world ain't gonna change for me

<sup>E</sup> <sup>B</sup>  
So give me one more chance to prove these problems and  
frustrations  
<sup>E</sup> <sup>Gb</sup>  
aren't just manifest in memories we're destined to repeat  
<sup>B</sup> <sup>E</sup>
