

Du - Learning

tom:

G

I'm still learning after all

It's what we do until we fall

One day we'll fall

We'll all fall

We cannot rewrite our lives

Cause' life is lived just one time

Just one time

G

Life is short we gotta live

We can't just waste all this years

Just running in circles

So much dark but so many stars

We must not quit just cause life is hard

Life is hard

Oh, I've made a lot of mistakes

A lot of hapiness started so fade

Happy faces just went away

So just remind me one more time

We are all here to try

Cause we don't know anything at all

We are here to grow

To create moments

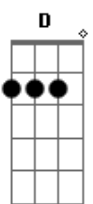

To fail again

Then rise from the low
