Am
Know you're bad for me, but you know I am too
Me and you together, like a loved up bruise
Em
I'll make you an offer that you can't refuse
D
Baby, you're okay, baby, you're okay
Am
No, you won't, won't go breaking my heart
Am Bm Em
You've seen that we got the same pain, same scar
Em
Felt that woman got closer in the dark
D
Baby, I'm okay, baby, I'm okay
Am
Baby, when, when you're far away
Am Bm Em D
I promise you I'll be good, I guess we're misunderstood
Am
So baby, please, don't hear what people say
Am Bm Em D
'Cause I've heard things 'bout you too, makes me know that I'm
for you

C Am
Oh, no, I don't care what's been done here before me
Em D
I don't give a damn, just as long as you care
C Am
'Cause, baby, I've been bad, but the heavens forgave me
Em D
You don't need to ask 'cause I'm already there
C Am
Let's be bad together, baby, you and I
Em D
Let's be bad together, if only for a while
C Am
Let's be bad together, make the devil smile
Em D
Let's be bad together, let's be bad together, ooh yeah

Am
Nothing could stop us, we got it all
Am Bm Em
The love, the passion, but most of all
Em
We mess up, but run from the scene
D
But I throw my hands up, if you know what I mean
Am
Ah, 'cause I'm not afraid to tell you when you're wrong

Am Bm Em
And I know that you miss me when I'm gone
Em
We make a great team
D
With you, I'm badder than I've ever been
