

Dua Lipa - Falling Forever

tom: [Primeira Parte]

G
 How long, how long
 Are you good at holding on?
 I know the mind is quick to throw away the moment
 Where this takes us, maybe I don't wanna know yet
 'Cause for now, you're all I want
 They say you got it, then it's gone
 I don't believe that every flame has to get colder
 I hope the feelings that you give me carry over
 'Till tomorrow and beyond

[Refrão]

How long, how long
 Can it just keep getting better?
 Can we keep falling forever?
 How long, how long
 Can we stay like this together?
 Can we keep falling forever?

You could wake up all alone
 So tonight, I'll give you something to remember
 And eternity's impossible to measure
 But it feels right where we are

[Pré-Refrão]

I'm (I?m) falling deep (Falling deep)
 Deep in your arms, baby
 Baby, I'm yours to keep
 Keep me close

'Till tomorrow and beyond

[Refrão]

How long, how long
 Can it just keep getting better?
 Can we keep falling forever?
 How long, how long
 Can we stay like this together?
 Can we keep falling forever?

[Ponte]

I, I wanna know
 Can you ride through any storm? (Any storm)
 Can you ride from night 'till dawn? ('Till dawn)
 'Till tomorrow and beyond

[Refrão]

How long, how long
 Can it just keep getting better?
 Can we keep falling forever?
 How long, how long
 Can we stay like this together?
 Can we keep falling forever?

[Final]

How long?
 Can it just keep getting better?
 Can we keep falling forever?
 Oh, ooh-ooh
 How long?
 How, how long?
