

Dua Lipa - Garden

Tom: Db

Bbm Ab Gb
Remember when we swam in the ocean?
Ebm
Now we know what's deep inside
Bbm Ab
Remember when we ran in the open?
Gb Ebm
Now we know what's in the wild
Bbm Ab Gb
Used to think that this love was heaven sent
Gb Ab Bbm
How did we get lost? Can't get back again
Ab Gb
Tell me, is there light on the outside?

Bbm Ab Gb Ebm
So are we leaving this Garden of Eden?
Bbm Ab Gb Ebm
Are we leaving this Garden of Eden?

Bbm Ab
Used to walk around your apartment
Gb Ebm
Nothing but a smile on me
Bbm Ab
But tonight I'm so self conscious
Gb Ebm
Isn't it so clear to see?
Bbm Ab Gb
Nothing's ever perfect in paradise
Gb Ab Bbm
Don't know what it's worth 'til you pay the price
Bbm Ab Gb
When you bite your tongue does it draw blood?

Bbm Ab Gb Ebm
So are we leaving this Garden of Eden?
Bbm Ab Gb Ebm
Are we leaving this Garden of Eden?
Bbm Ab
Now I know what I know
Gb
But it's hard to find the meaning
Bbm
Where do we go?
Ab Gb Bbm
'Cause we don't believe in this Garden of Eden

Ab Gb
(Eden, eden, eden)
Bbm
This Garden of Eden?
Ab Gb
(Eden, eden, eden)

Bbm Ab
I have cried for you, and I'll ride for you
Gb Ebm

I would die for you, but would you do that for me?
Bbm Ab
Tell the truth, what you wanna do
Gb
Is it me and you?
Ebm
Are you with me honey?
Bbm Ab
I have cried for you, and I'll ride for you
Gb Ebm
I would die for you, but would you do that for me?
Bbm Ab
Tell the truth, what you wanna do
Gb
Is it me and you?
Are you with me?
