

Dua Lipa - I'd Rather Go Blind

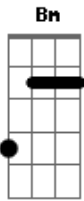

tom:
 A
 Something told me it was over Bm
 When I saw you and her talking A
 Something deep down in my soul said, "cry girl" Bm
 When I saw you and her, walking around A
 I would rather, I would rather go blind boy Bm
 Than to see you, walk away from me child A
 I was just, I was just sitting here thinking Bm
 A

Of your kiss and your warm embrace
 When the reflection in the glass that I held to my lips now Bm
 baby
 Revealed the tears that were on my face A
 And baby, baby, I would rather be blind boy Bm
 Than to see you walk away from me A
 And baby, baby, I'd rather be blind boy Bm
 Than to see you walk away from me A
 A
 Something told me it was over Bm
 When I saw you and her, talking A
