

Dua Lipa - My My My (Deezer Sessions)

```
Oh my, my, my
                                                                        tom:
                                                                        Abm (forma dos acordes no tom de Em )
Capostraste na 4º casa
                                                                                                                                                                                                                                                                                              I die every night with you
Intro: Em Gbm D
                                                                                                                                                                                                                                                                                              Oh my, my, my
                                                                                                                                                                                                                                                                                                                                                                  Gbm D
                                                                                                                                                                                                                                                                                              Living for your every move
   Shine on, diamond
                                                           D
                                                                                                                                                                                                                                                                                                                                               Em
Don't make me wait another day
                                                                                                                                                                                                                                                                                              Oh my, my, my
                                                                                                                                                                                                                                                                                                                                                    Gbm
 'Cause passion is passion
                                                                                                                                                                                                                                                                                              I die every night with you
                                                D
You know it just as well as me
                                                                                                                                                                                                                                                                                              Oh my, my, my
                                                                                                                                                                                                                                                                                              Living for your every move
Now, let's stop running from love
                                                                                                                                                                                                                                                                                                                                Em
                                                                                                                                                                                                                                                                                              Oh my, my, my
Running from love
                                                                                                                                                                                                                                                                                                 Gonna be the last night ever
Let's stop, my baby
                                                                                                                                                                                                                                                                                                                                                         Gbm
                                                                                                                                                                                                                                                                                              Gonna be the last night we're apart
Let's stop running from us
Running from us
                                                                                                                                                                                                                                                                                              Got my name on this treasure
Let's stop, my baby
                                                                                                                                                                                                                                                                                              On this treasure
                                                Fm
Oh my, my, my
                                                                                                                                                                                                                                                                                              Oh my, my, my
                                                 Gbm
I die every night with you
                                                                                                                                                                                                                                                                                              I die every night with you
Oh my, my, my
                                                                                                                                                                                                                                                                                              (I die, I die, I die, every night)
                                                                   Gbm D
                                                                                                                                                                                                                                                                                              Oh my, my, my
Living for your every move
                                                                                                                                                                                                                                                                                              (Oh my, my, my
   Spark up, buzz cut
                                                                                                                                                                                                                                                                                              Oh my, my, my)
I got my tongue between your teeth % \left( 1\right) =\left( 1\right) \left( 1
                                                                                                                                                                                                                                                                                                                                                                    Gbm D
                                                                                                                                                                                                                                                                                              Living for your every move
   Go slow, no, go fast
You like it just as much as me
                                                                                                                                                                                                                                                                                              (Living for, living for, yeah)
                                                                                                                                                                                                                                                                                              Oh my, my, my
                                                                                                                                                                                                                                                                                                                                                     Gbm
Now, let's stop running from love
                                                                                                                                                                                                                                                                                              I die every night with you
Running from love
                                                                                                                                                                                                                                                                                              (Oh my, my, my
Let's stop, my baby
                                                                                                                                                                                                                                                                                              Oh my, my, my, oh)
Let's stop running from us
                                                                                                                                                                                                                                                                                              Oh my, my, my
Running from us
                                                                                                                                                                                                                                                                                                                                                                    Gbm D
                                                                                                                                                                                                                                                                                              Living for your every move
Let's stop, my baby
                                                                                                                                                                                                                                                                                              Oh my, my, my
