                                                                 Possibilities
I look like all you need
                                                                 F
                                                                 I look like all you need
(Am Bb F F Gm)
                                                                 Am
(Am Bb F F Gm)
                                                                 One kiss is all it takes
                                                                 Bb
                                                                 Falling in love with me
       Am
                          Bb
Let me take the night, I love real easy
                                           Gm
                                                                 Possibilities
And I know that you'll still wanna see me
                                                                              Gm
                                                                 F
                                                                 I look like all you need
        Am
                                    Bb
On the Sunday morning, music real loud
                                                                 Am Bb
        F
                                             Gm
Let me love you while the moon is still out
                                                                 0ne
                                                                 F
                         F
                                                                 0ne
Am
              Bb
Something in you lit up heaven in me
                                                                 Gm
                                                                 Darling
             Am
                           Bb
The feeling won't let me sleep
                                                                 Am Bb
                                                                 0ne
                                Dm
                                                    Gm
             F
'Cause I'm lost in the way you move, the way you feel
                                                                 0ne
                                                                 Gm
                                                                 Darling
One kiss is all it takes
Bb
Falling in love with me
                                                                 G
                                                                                               Bb F
                                                                            Am
                                                                 See a wonderland in your eyes
Possibilities
                                                                                 Am
                                                                                                 Bb
                                                                 G
            Gm
                                                                Might need your company tonight
I look like all you need
                                                                Pre-Chorus Dua Lipa
