

Dua Lipa - Pretty Please

tom:
 Capostrate na 1ª casa (Ab (forma dos acordes no tom de G))

[Primeira Parte]

Somewhere in the middle, I
 Think I lied a little, I
 I said if we took it there, I wasn't gonna change
 But that went out the window, yeah (Gonna break, gonna break)
 [Pré-Refrão]

I know that I seem a little stressed out
 But you're here now, and you're turning me on
 I wanna feel a different kinda tension
 Yeah, you guessed it, the kind that's fun
 Hate it when you leave me unattended
 'Cause I miss ya, and I need your love
 When my mind is runnin' wild
 Could you help me slow it down?
 Put my mind at ease

[Refrão]

Pretty please
 I need your hands on me
 Sweet relief
 Pretty please

[Segunda Parte]

Exactly where I want me, yeah
 Underneath your body, yeah
 If we take it further, I swear I ain't gonna break
 So, baby, come try me
 Baby, come find me
 Baby, don't wind me up
 [Pré-Refrão]

I know that I seem a little stressed out
 But you're here now, and you're turning me on
 I wanna feel a different kinda tension
 Yeah, you guessed it, the kind that's fun

Hate it when you leave me unattended
 'Cause I miss ya, and I need your love
 When my mind is runnin' wild
 Could you help me slow it down?
 Put my mind at ease
 [Refrão]
 Pretty please
 I need your hands on me
 Sweet relief
 Pretty
 Put my mind at ease
 Trickle down my spine
 Oh, you look so pretty, please
 Every single night, I need your hands on me
 When your kisses climb
 Oh, you give me sweet relief
 Made me feel so pretty
 Would you help me out, please?

Pretty
 Pretty
 Pretty
 Pretty
 [Pré-Refrão]

Hate it when you leave me unattended
 'Cause I miss ya, and I need your love
 When my mind is runnin' wild
 Could you help me slow it down?
 Put my mind at ease
 [Refrão]
 Trickle down my spine
 Oh, you look so pretty, please
 Every single night, I need your hands on me
 When your kisses climb
 Oh, you give me sweet relief
 Made me feel so pretty
 Would you help me out, please?
