They run by, past the tudor on the corner
           Db
From Hamilton to Victoria Street
Feel the vibration of the birds in the sky
                    Db
Where are they going to land?
              Ebm
The coast is not so far away
            Db

[Segunda Parte]
( Db Ebm Gb Db )
       Ebm
Db
We sit, by the water
And feel the ripples of the tide
                 Ebm
The ocean's dancing with the shoreline
                 Db
And the current's wavin' them by
