Db **Fm** **Gb** **Ab**

Db **Fm**
 Friday, just a normal day
Gb **Gbm7M**
 But you set my heart on fire
Db **Fm**
 Dumb, no words to say
Gb **Ab**
 Just a hug to interwine

Db
 But I let it go
Fm
 I get out of control
Gb
 I want it to flows
Gbm7M
 To see how it goes

Db
 It was you and me
Fm
 Now I'm feeling free
Gb
 In your eyes I see
Ab
 All that I believe

Db **Ab**
 You came in the right place the perfect time
Gb **Gbm7**
 The stars and the moon was the party night
Db **Fm7**
 We danced and we sang until midnight
Ab **Ab7**
 Without you, the life won't be the same
