

Duda Cavalheiro - Window Light

tom: B

Badd9
Trought this window

E7M
And behind this door

Badd9
Forgetting all this darkness

E7M
Standing up from the floor

Badd9
My eyes are open

E7M
Sunshine outside

B7M
But my heart is closed

E7
I can't feel the bright

Abm
And when I realise

Eadd9 **Badd9** **Gbadd9**
Your touch, your warm beside

Abm
The bliss when I arrive

Eadd9 **Badd9** **Gbadd9**
But you were gone tonight

[Refrão]

G#m7M
I'm not denying

Eadd9
I am still in control

Badd9
The love is dying

Gb7
I wanna let it go

G#m7M
That's so pretencious

Eadd9
I wanna sing out loud

Badd9
Before I mentioned

Gbadd9
For this big world crowd

(**G#m7M** **E7M** **Badd9** **Gbadd9**)
(**G#m7M** **E7M** **Badd9** **Gbadd9**)

Badd9
Trought this window

E7M
And behind this door

Badd9
I can see the light

E7M
I feel peace and hope

Badd9
My eyes are closed

E7M
Sunshine outside

B7M
But my heart is open

E7
I can feel the bright

Abm
And when I realise

Eadd9 **Badd9** **Gbadd9**

Eadd9 **Badd9** **Gbadd9**
But you were gone tonight
