

Duda Sings - Lost Messages

tom:
 D
 Never thought I would
 Gbm
 Always thought I could
 G
 Say I'm over now
 Gm
 But my head's still wrapped around

D
 When I saw you leave
 Gbm
 I could not deceive
 G
 Always thought you'd come around
 Gm
 Tried keeping myself calm

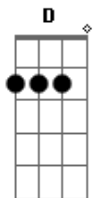

D
 Please wait for me this time
 Gbm
 I can't get you out of my mind
 G
 These were the words I wished to hear
 Gm
 But you took it with you when you disappeared

D Gbm
 I don't wanna know
 G Gm
 Promise I'm just trying to let go
 D
 Thought that you would care
 Gbm
 But I was unaware
 G Gm
 That you were never on my side

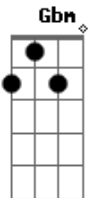

D
 Spent my nights
 Gbm
 Decoding fights
 G
 Kept staring at my phone
 Gm
 But I never heard your tone

D
 There was no goodbye
 Gbm

I asked myself why
 G
 As if you didn't care
 Gm
 Turned our past into thin air

D
 Please let it go this time
 Gbm
 I want him out of my mind
 G
 These were the words I told myself
 Gm
 Since you fell in love with someone else

D Gbm
 I don't wanna know
 G Gm
 Promise I'm just trying to let go
 D
 Thought that you would care
 Gbm
 But I was unaware
 G Gm
 That I was not your favorite pair
 D
 I never thought I'd get you out of my head
 Gbm
 Spent the nights laying in my bed
 G
 When I reached a point where I just saw red
 Gm
 And realized how I was misled

D
 You took my trust and threw it away
 Gbm
 Like a little boy who's still learning his way
 G
 Looking back I remember that day
 Gm
 How I was immature to think that you would stay

D Gbm
 I don't wanna know
 G Gm
 Promise I already let you go
 D
 I see that you don't care
 Gbm
 But I was unaware
 G Gm
 That you were only passing by
