

Dudu Nicácio - Chorou

tom: C

Chorou quando não tinha mais paz
 Rezou o sagrado dos seus rituais
 Sonhou com o colo quente dos seus pais
 Beijou um amor que não se desfaz

Cantou a beleza dos seus ideais
 Brincou a leveza de outros carnavais
 Dançou o mistério que não existe mais

Brilhou com a força de quem é capaz

Chegou ensinando a festa
 Veio pela fresta
 Já ensaiadinha
 Só no miudinho
 Juntou coloriu o nosso amor
 Melhor que um sonho bom
 Mais forte que a paixão
 Vibrou
 Relampejou o coração
