

# Dudu Nicácio - Chorou

tom: C

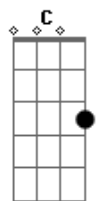

Chorou quando não tinha mais paz  
 Rezou o sagrado dos seus rituais  
 Sonhou com o colo quente dos seus pais  
 Beijou um amor que não se desfaz

Cantou a beleza dos seus ideais  
 Brincou a leveza de outros carnavais  
 Dançou o mistério que não existe mais

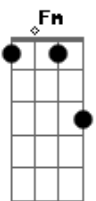

Brilhou com a força de quem é capaz

Chegou ensinando a festa  
 Veio pela fresta  
 Já ensaiadinha  
 Só no miudinho  
 Juntou coloriu o nosso amor  
 Melhor que um sonho bom  
 Mais forte que a paixão  
 Vibrou  
 Relampejou o coração
