

# Dudu Nicácio - Meu Mito

tom:

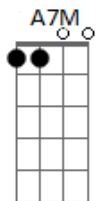

Intro: A C  
E7 D A7M  
Dm Cadd9 Dm C G7

Do nada você surgiu  
Dançando, girando  
Sem tempo, espaço  
Forma ou direção  
Na sua pele eu aprendi  
Os valores da natureza  
Seus contornos me revelaram  
O ritmo da beleza  
Você é o meu grande mito  
A minha Gaia, terra divina  
Tudo em seu ventre é bonito

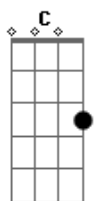

É sempre fértil, vida que ensina

Gm C7 F  
É você que me alimenta  
E7 Am  
Me aquece e me recria  
G7  
Prometo não lhe ser cruel  
Gm C7  
Nem lhe tirar a alegria  
F E7  
Nossa união será perene  
Am  
O tempo não vai separar  
D7  
As fúrias podem existir  
Dm E7  
Mas a paz será nosso lar  
A E7  
Por você que me acalma  
Bm E7 A  
Eu faço essa oferenda  
F Dm C Am  
Presente, cura pra todo mal  
Dm G7 C  
Segredo que não se desvenda
