

Dudu Nicácio - Na Ponta do Pé

tom: D

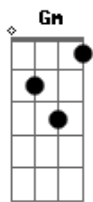

Balacobaco no meu samba tem
 Um predicado diferente tem
 Bem sapecado o molho no dendê
 Pra ficar apimentado na ponta do pé
 Foi a baiana lá no gantois
 Que misturou meu samba com dendê
 Fez um traçado bem abençoado

Na ginga da curimba e do canjerê
 Depois me disse: vem cá ioiô
 Olha que o samba tem batucajê
 Foi na malícia do bamboleado
 Pra ficar bem temperado na ponta do pé
 Ô Baianinha nas cadeiras na ponta do pé
 A carioca e a mineira na ponta do pé
 A paulistinha vem chegando na ponta do pé
 Eu quero ver o rebolado na ponta do pé
 E todo mundo sai brincando na ponta do pé
