

Dudu Nicácio - Utopia Ou Ilusão?

tom:

A

Ai, pode chegar

Sinta-se em casa

A rua é nossa

E o chão está posto

Vamos comemorar

A liberdade

Pois o rei será deposto

Venha malandrear

Saracoteia, bamboleia

Na sarjeta

Amigos não vão te faltar

Pra ver o dia raiar

E essa cidade será

Um eterno brilhar

(Então, brilha)

Junte toda essa gente

Convoque o que é diferente

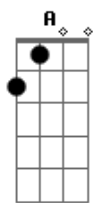

Não sei se é utopia ou ilusão

Mas vem pra rua sambar

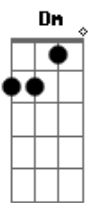

Quem sabe esse dia não tarda

Para nos brindar
